I WHO ARE WE?

West-O Hygiene Solutions is an independent, family-run, Kent-based hygiene products supplier specialising in supplying high-quality hygiene products at an affordable price. Working hand-in-hand with a diverse client base, we aim to provide effective hygiene solutions to keep you, your team & your workplace safe & hygienic.

We are passionate about our business and are fully committed to providing the best service possible – even during the most turbulent of times. We've built our business on our unparalleled commitment to our customers, always going the extra mile, to make their lives that much easier and hygienic. By choosing West-O Hygiene Solutions as your supplier, you can rest assured, that we will take care of everything.

I WHY CHOOSE US?

We take pride in our ability to provide a wide-range of hygiene solutions to a variety of customers, from different industries. We aim to maintain long-term relationships with our customers, by understanding individual requirements and accommodating them accordingly, whether that be reducing procurement costs, or by recommending more-effective alternatives to replace existing resources, we work collaboratively with our clients to find mutually-beneficial solutions that save money, reduce chances of illness, and help upkeep reputation.

Our people and their commitment to our business is our biggest asset. When you choose West-O, you don't just benefit from an advanced range of products & affordable pricing, in fact you have access to some of the most hard-working people in this industry. West-O's management consists of experienced individuals, who have been working within the Hygiene & FM Industry for several years, and boast a wealth of knowledge and experience in dealing with customers. Our people are committed to going above & beyond & will always do all they can for our customers.

I WHO'D YOU CATER FOR

We take pride in our expansive range of hygiene products, which cover all cleaning & hygiene tasks in homes & offices. We segment our range into three key sectors, this allows us to better cater directly to the needs of each client base within the product segment. Domestic, Institutional & Retail, are the three market segments we believe we effectively accommodate the needs of. Therefore, whatever your industry, size of your requirement, your budget or expectations, we know we can either meet or exceed them.
